**Description:**

In order to support Green Campus in terms of achieving green transportation, Universitas Sebeals Maret Indonesia has facilitated Bicycle parking in 14 strategic spots in campus. Apart from that, UNS provides friendly pedestrian street for walkers and bikers. This also can be used for safe jogging track for civitas academica and outside campus communities who use this facility in the breaktime. Some buildings have been provided by diffable ramp for easy access from frontyard to the building for diffable people.
