Example of Program to Reduce the Use of Paper and Plastic in Campus (Universitas Sebelas Maret, Indonesia)

Description:

There are several programs to reduce the use of paper and plastic in UNS campus such as:

1. The use of tumbler and lunchbox for civitas academica in order to reduce the waste of bottle of mineral water
2. Construction of SPAM (Drinking Water Instalation System) , with 150 drinking water taps has reduced the use of mineral water in UNS
3. The use of electronic mail and electronic mobile message for academic purposes
4. The use of used papers for Research Reports and other Student Reports
