[3] Waste (WS)

[3.4] Inorganic Waste Treatment

As a response to the Instruction of the Ministry of Research, Technology and Higher Education (Menristek DIKTI) no 1/M/INS/2019 concerning the prohibition to use a disposable plastic mineral water packaging or a plastic bag in the Institution of under Menristek DIKTI, UNS have been distributing tumblers to all staff for daily uses and the use of cups and dispenser rather than mineral water packaging for meeting and campus activities in order to reduce inorganic waste on campus.

Description:

Sebelas Maret University has sorted organic waste and inorganic waste by providing separate bins. Therefore, the management of inorganic waste and some organic waste is carried out by external agency. Apart from that, UNS has reduced inorganic waste on campus by obligate the staff to use tumbler for drinking water and the use of cups and dispenser rather than mineral water packaging for meeting and campus activities
